- ✔ **Excess Usage:** There are no excess usage charges for data plans.
- ✔ **Setup Fee:** There is \$0 setup fees on all no-contract, home nbn™ plans.
- ✔ **Minimum term of the service:** This service is month-to-month with no fixed term.
- ✔ **GoInternet inclusions and mandatory requirements:** GoInternet's nbn™ plans include an unlimited monthly data allowance. As specified on the selected plan, the nbn™ + phone bundle add a Voice over IP (VoIP) telephone service with unlimited calls to local, national and mobile numbers. All GoInternet nbn™ plans + phone bundle will need to purchase a pre-configured Huawei HG659. nbn™ + phone bundle does not include a VoIP phone device, calls to international phone numbers, or calls to 13/1300 numbers. When you connect to an nbn™ plan, some equipment or services at your premises may be impacted and no longer operate. These include medical devices, alarms, EFTPOS machines, lift emergency phones, email and fax services. GoInternet bears no responsibility for any equipment or services at your premises that may be impacted when connecting an nbn™ plan.
- ✔ **Modem Fees:** Use of GoInternet's nbn™ plans require a compatible modem/router. These include the NetComm NF18ACV or the Huawei HG659 for \$149 (inc. GST). GoInternet's pre-configured nbn™ ready modems will support your connection type (FTTN needs a VDSL compatible nbn™ modem, FTTP needs a general nbn™ ready modem). All hardware remains the property of GoInternet and will need to be returned upon termination of package or incur a \$149 (inc. GST) replacement fee. Please contact us for further information on 1300 467 283. If using your own modem please refer to your modem manufacturer instructions. GoInternet does not provide any support for on premise hardware, however on request this can be provided for a charge. Installation of modem and other configuration not provided by the nbn™ during standard installation will remain the responsibility of the customer. You will be sent the relevant connection details according to your service. All requested technical support and installation is a minimum charge of \$225.00 (plus \$75 per hour for any additional hours) for new services or fault troubleshooting and rectification.
- ✔ **Priority Assistance:** GoInternet does not provide Priority Assistance, Telstra is an alternative carriage provider which does provide Priority Assistance.

✓ Maximum monthly charge:

The maximum monthly charge depends on whether you have chosen to add the optional phone line rental and make calls on the line provided. Any phone call charges outside of your nbn™ + phone bundle are billed on a monthly basis, for the prior month's usage.

✓ Important Conditions:

This service may not be available at your location. Please go to our website www.gointernet.net.au or call us on **1300 467 283** to find out if you can be connected to this service at your location. If your FTTN or FTTP connection is identified as a coexistence region, the actual speed available on the nbn™ may differ due to coexistence of the copper and fibre networks, contact us for further details. This service provides you with a dynamic IP address.

✓ nbn™ availability and connection charges:

Unless already connected, the nbn™ may need to install its equipment in your premises. Standard installations of nbn™ equipment is done without charge to you. An additional once off **\$330.00. nbn™ New Development** charge applies if your premises is identified by the nbn™ as being within the site boundary of a new development. This may apply at premises that are in a newly developed area or building and is not an installation fee, but an activation fee that will apply to the first nbn™ service connected at this premises. If applicable, an **nbn™ New Copper Pair charge is \$299.00**. This would apply on FTTB/N where an active PSTN/ULL phone line is connected and the FNN/ULL of this active line can't be provided.
