

GoBusiness Premium \$190 p/m NBN Plan- 50/20 Mbps with 250gb Data + 3 x Leased Standard Handset

Information About The Service

The Service:

The GoInternet GoBusiness Premium Plan is an nbn™ broadband internet service offering high speed internet access on a speed plan of 50/20 Mbps. Additionally, included in this plan is:

- 250gb broadband data allowance each month.
- 3 x Bizphone Leased standard handset

Call charges for local, national and Australian mobiles are included. Optional modems are also available at an additional cost.

Bundle:

You don't need to bundle this plan with any other GoInternet service. However, you might be eligible for additional discounts if you have another GoInternet service.

Mandatory Components:

You will require an nbn™ ready modem for this service which supports your connection type (FTTN needs a VDSL compatible nbn™ modem, FTTP needs a general nbn™ ready modem). The monthly plan fee or total minimum cost does not include the cost for a modem/router but you may purchase one from us at an additional cost. We recommend

checking the modem manufacturer compatibility features if you intend on keeping your existing modem. All VoIP phone connections will need a VoIP compatible modem. The monthly plan fee or total minimum cost does not include this. Please contact us for further information on 1300 467 283.

Minimum Term:

The service is available with a minimum term of 0 month, 12 months or 24 months contract.

Important Conditions:

This service may not be available at your location. Please go to our website www.gointernet.net.au or call us on 1300 467 283 to find out if you can be connected to this service at your location. If your FTTN or FTTP connection is identified as a coexistence region, the actual speed available on the nbn™ may differ due to coexistence of the copper and fibre networks, contact us for further details. This service provides you with a dynamic IP address. Static IP addresses can be purchased at an additional cost. Please contact us if you require a Static IP.

Upgrading Plans:

You can upgrade plans at any time, a once off service modification fee may apply and your recurring monthly service fee may change accordingly.

Early Termination Charges:

If you cancel your service prior to the end of your contract term you will incur early termination charges. These are calculated by multiplying the number of outstanding contract months times the minimum monthly contract charge. If you withdraw an order for service after acceptance, an order withdrawal may be applicable. Should you no longer need the service, please contact us to calculate the contract balance payable.

Installation

Unless already connected, the nbn™ may need to install its equipment in your premises. Standard installations of nbn™

equipment is done without charge to you. An additional once off \$330 nbn™ New Development charge applies if your premises is identified by the nbn™ as being within the site boundary of a new development.

If using your own modem please refer to your modem manufacturer instructions or alternatively we can provide you with the general configuration advice. GoInternet does not provide any support for on premise hardware, however on request this can be provided for a charge. Installation of modem and other configuration that not provided by the nbn™ during standard installation will remain the responsibility of the customer. You will be sent the relevant connection details according to your service. All requested technical support and installation is a minimum charge of \$225.00 for new services or fault troubleshooting and rectification.
